## Second Training Seminar (Part 1)

Part 1 of the Second Training Seminar for Curriculum Internationalisation Champions will be focused on the mechanisms for formulating internationally relevant degree profiles in terms of competences and learning outcomes. The notions of Global Competences and Meta-Profiles based on data collected globally will be introduced. The need to align all the efforts in order to help students become global professionals and citizens will be made clear.

**Useful information:**

- **Your microphones** will be **muted** during the session in order to avoid interferences.
- Should you wish to make a question, please either **write your doubt in the chat** or **write your name in the chat** and the moderator will invite you to intervene.
- All the presentations will be available in the [Online Training Platform](#).

**First Training Seminar (Part 2)**

The Part 2 of this training seminar is where participants start preparing their own professional development activity on the topic Strategic Line 2 - *Profiles of Global Professionals and Citizens*

In the [RISHII Online Training Platform](#), participants will have to design their own internationalisation workshop and to implement it at 3 different levels:

- Pilot Programme level, aimed at your department colleagues.
- Institutional level, aimed at other departments within your institution.
- Regional level, aimed at other institutions from your region.

For this task, EU partners support can be requested, as well as peer revision of the proposed workshops. Tentative deadline for this task is **17 January 2022**.

Detailed information on how to complete the tasks of the Strategic Line 2 Training Seminar will be available in the online training platform and in the following document:
